Places Left Unfinished at the Time of Creation John Phillip Santos 2000-08-01 Finalist for the National Book Award!In this beautifully wrought memoir, award-winning writer John Philip Santos weaves together dream fragments, family remembrances, and Chicano mythology, reaching back into time and place to blend the story of one Mexican family with the soul of an entire people. The story unfolds through a pageant of unforgettable family figures: from Madrina--touched with epilepsy and prophecy ever since, as a girl, she saw a dying soul leave its body--to Teofilo, who was kidnapped as an infant and raised by the Kikapu Indians of Northern Mexico. Gravitational Solitons V. Belinski 2001-07-19 This 2001 book gives a self-contained exposition of the theory of gravitational solitons and provides a comprehensive review of exact soliton solutions to Einstein's equations. The text begins with a detailed discussion of the extension of the Inverse Scattering Method to the theory of gravitation, starting with pure gravity and then extending it to the coupling of gravity with the electromagnetic field. There follows a systematic review of the gravitational soliton solutions based on their symmetries. These solutions include some of the most interesting in gravitational physics such as those describing inhomogeneous cosmological models, cylindrical waves, the collision of exact gravity waves, and the Schwarzschild and Kerr black holes. A valuable reference for researchers and graduate students in the fields of general relativity, string theory and cosmology, this book will also be of interest to mathematical physicists in general.

Uncle Al Capone Deirdre Marie Capone 2010-10-27 This is the revised edition, March 2015. The untold story from inside his family. Dramatic, unyielding, and provocative, *Uncle Al Capone* by Deirdre Marie Capone, Al Capone's grandniece, is a fascinating memoir and engaging biography. This moving, highly readable portrait of the Capone family and its mob trade examines what it has meant to survive the storied legacy of the family's forbearers. As Capone traces the arc of regret and what fuels the Capone myth, she finds redemption and a way to coexist with her legacy. In seventeen chapters with titles like "The Making of the Mafioso," "Trading the Chicago Outfit for the Chicago Cubs," and "The Saint Valentine's Day Truth," Capone outlines organized crime in Chicago and offers vignettes of American history during the early and mid-twentieth century. Using years of research and exhaustive interviews with her aunts, uncles, and cousins, she weaves an engaging anecdotal narrative of what it meant to be a Capone, what it meant to lose her father to suicide, and what it meant to have a mother who lived in constant fear. She offers compelling evidence that Al Capone was specifically targeted for prosecution by law enforcement agencies assisted by the media, which made gross exaggerations of her uncle's exploits and fueled a phenomenon of half-truths and utter falsehoods. From the family's roots in Angri, Italy to the author's ongoing investigations today, this debut offers a comprehensive and moving portrait of an iconic American family and one woman's efforts to make peace with the past.

Just a Guy Bill Engvall 2007-05-29 What does it mean to be JUST A GUY? --A guy doesn't think before he speaks. --Eating and sleeping always come first. Always. --A guy may get married, but he doesn't have to like it. --It's tough to admit, but all guys are exactly the same. *Blue Collar Comedy Star* Bill Engvall is JUST A GUY. He's been one his whole life. He can't help it. He was born that way. And that makes him an expert on the subject. For the record, here's the official definition of a guy: A person who doesn't think before he speaks. He can't. He's not that deep. Because a guy has only three basic needs: eating, sleeping, and sex. That's it. JUST A GUY chronicles a lifetime in pursuit of those needs. In this hilarious and heartfelt memoir, Bill Engvall takes you on the rollicking ride of his life, beginning with his childhood in Texas and adolescence in Arizona, becoming a fixture in local emergency rooms, the result of massive amounts of non-thinking behavior trying to impress girls or torture his sisters; to high school in Dallas where he

dabbled in an array of truly odd jobs, learned the trombone, and came of age, all strangely connected; to college and his tenure as his fraternity's social chairman, where he masterminded a series of legendary parties and attempted to rescue his pet bird while the house was burning down (not his fault, honest); to following his dream as a standup comic and, gulp, singer; to his brief stint in children's theater while sharing the stage and the back of a van with the director's dog, and as a movie extra with forked tongue and cloth claws; to his bumbling and riotous courtship, then marriage to Gail, the love of his life; and, finally, fatherhood, where he remains, to this day, a well-meaning, but flawed parent. Through it all, Bill gamely stumbles along, struggling to maintain a façade of confidence and control. Far from a superhero, Bill Engvall is an everyday Everyman, the poster boy for normal. The result is JUST A GUY who is disarming, perceptive, wildly funny, and unexpectedly moving. JUST A GUY will make you laugh out loud and tug at your heart. Hopefully, not at the same time.
