Moms Don't Have Time To Zibby Owens 2021-02-16  
JOIN AWARD-WINNING PODCASTER ZIBBY OWENS OF MOMS DON'T HAVE TIME TO READ BOOKS ON A JOURNEY FILLED WITH FOOD, EXERCISE, SEX, BOOKS, AND MORE. It's impossible to ignore how life has changed since COVID-19 spread across the world. People from all over quarantined and did their best to keep on going during the pandemic. Zibby Owens, host of the award-winning podcast MomsDon't Have Time to Read Books and a mother of four herself, wanted to do something to help people carry on and to give them

something to focus on other than the horrors of their news feeds. So she launched an online magazine called We Found Time. Authors who had been on her podcast wrote original, brilliant essays for busy readers. Zibby organized these profound pieces into themes inspired by five things moms don't have time to do: eat, read, work out, breathe, and have sex. Now compiled as an anthology named Moms Don't Have Time To, these beautiful, original essays by dozens of bestselling and acclaimed authors speak to the ever-increasing demands on our time, especially during the quarantine, in a unique, literary way. Actress Evangeline Lilly writes about the importance and impact of film. Bestselling author Rene Denfeld focuses on her relationship with food after growing up homeless. Screenwriter and author Lea Carpenter and Suzanne Falter, author, speaker, and podcast host, focus on loss. New York Times bestselling authors Chris Bohjalian and Gretchen Rubin write about the importance of reading. Others write about working out, love and sex, eating and cooking, and more. Join Zibby on her journey through the winding road of quarantine and perhaps you, too, will find time.

King of Clubs Maureen Prest 2017-03-26 An intimate

portrait of visionary showman James Lord Corrigan. Written by Corrigan's confidante Maureen Prest, this is the only insider's account of what really went on at his world famous Batley Variety Club, both in front of house and behind closed doors. From his origins on a travelling funfair, his audacious climb through the world of show business, his turbulent marriage to his glamorous wife Betty, and his dramatic retreat, this is a story of rags to riches and back to rags. With a twist.

Cocktail club Sophie Kinsella 2013-09 Roxanne, Maggie et Candice, collègues/copines dans un célèbre magazine de mode londonien, ont une tradition : tous les premiers du mois, rendez-vous au Manhattan Bar, p'tit pub branché où l'on échange confessions et mojitos tout en critiquant les (plus) jeunes et en sifflant les serveurs. Enfin ça, c'est pour les célibataires.

Roxanne, enceinte, et Maggie, qui vit une aventure avec un homme marié, ont autre chose en tête.

Candice, elle, dans un élan de générosité, invite la serveuse à leur table. Mais ajouter un ingrédient au "Cocktail Club" pourrait bien rompre son bel équilibre.

The Roaring Red Front STEWART. RAISON MCGILL (VINCE.) 2022-10-03 With the world turning rightwards and democracy looking at its most precarious since the 1930s, the emergence of a global network of left-wing, anti-fascist and anti-racist football fans has been one of the few shining lights in dark times. Some support clubs that are globally renowned, including the great St Pauli - more famous for the quality of its politics and its merchandise than its football. Others, no less committed, follow virtual minnows, like Red Star Paris and Bohemians Prague. But they still have proud histories, deep convictions and something to say. The left often fails to connect. How can these clubs inform and inspire? How can their example help collectivist, internationalist and inclusive principles defeat the seductive slogans and symbols of the growing nationalist and nativist movements across the planet? The Roaring Red Front explores these questions while examining the history and current struggles of these special clubs - and why it all matters.

Excerpt: Moray Golf Club is situated in Lossiemouth (on the south coast of the Moray Firth), Moray, Scotland. The club has two eighteen hole courses appropriately called the Old Course and the New Course. The club has played host to many championships, both amateur and professional. The old and new courses were designed by Old Tom Morris and Henry Cotton respectively. The first attempt to set up a golf club in Lossiemouth was in 1875 when a seven hole course was established in the Stotfield area. This club failed after a few years and it wasn't until 30 March 1889 that the present club was officially opened. At that time, the club had 82 members who were mostly from Elgin, the county capital, some 6 miles to the south. Captain James Brander of Pitgaveny, also a founding member, leased the land to the club and Old Tom Morris the St Andrews professional designed the layout. Initially, there were only 16 holes but within a year the course was extended to 18 by...

She Hath Been Reading Katherine West Scheil 2012-

05-15 In the late nineteenth century hundreds of clubs

formed across the United States devoted to the

reading of Shakespeare. From Pasadena, California,

to the seaside town of Camden, Maine; from the

isolated farm town of Ottumwa, Iowa, to Mobile,

Alabama, on the Gulf coast, Americans were reading

Shakespeare in astonishing numbers and in surprising

places. Composed mainly of women, these clubs

offered the opportunity for members not only to read

and study Shakespeare but also to participate in public

and civic activities outside the home. In *She Hath*

*Been Reading*, Katherine West Scheil uncovers this

hidden layer of intellectual activity that flourished in

American society well into the twentieth century.

Shakespeare clubs were crucial for women's

intellectual development because they provided a

consistent intellectual stimulus (more so than was the

case with most general women's clubs) and because

women discovered a world of possibilities, both public

and private, inspired by their reading of Shakespeare.

Indeed, gathering to read and discuss Shakespeare

often led women to actively improve their lot in life and

make their society a better place. Many clubs took action on larger social issues such as women's suffrage, philanthropy, and civil rights. At the same time, these efforts served to embed Shakespeare into American culture as a marker for learning, self-improvement, civilization, and entertainment for a broad array of populations, varying in age, race, location, and social standing. Based on extensive research in the archives of the Folger Shakespeare Library and in dozens of local archives and private collections across America, *She Hath Been Reading* shows the important role that literature can play in the lives of ordinary people. As testament to this fact, the book includes an appendix listing more than five hundred Shakespeare clubs across America.

### Ten Things You Thought You Knew About Golf Clubs

Tom Wishon 2010-05-10 How much do you really know about your golf clubs? Did you know that: • The lower the loft on your driver, the farther you'll hit it? • Your new driver has a larger "sweetspot?" • You are playing a stiff shaft, because it says so on it. •

Women's clubs are designed for women? Fine, but the problem is... **NONE OF THOSE THINGS ARE TRUE** Tom Wishon, one of the leading golf club designers in the world, takes you through 10 myths that most golfers believe about their golf clubs. "Most golfers are playing with clubs that will not—and can not possibly—meet their needs. They are designed from the factory to be wrong for their size strength and

swing characteristics.” Do you think: That longer drivers will hit the ball farther? The faster you swing, the stiffer your shaft should be? That your clubs are “just like the ones the pros use?” Find out WHY those things are not true!

Clubs, Drugs & Canapes Nick Valentine 2013-10-17

Armed with a bottle of Milk Thistle and unshakeable optimism, Nick Valentine has spent most of his adult life in fifth gear, betting on a Royal Flush while covertly holding a pair of deuces. This is his story, the odyssey of a suburban bloke who has blagged, lucked and laughed his way into just about every party, club, stage and hot-tub imaginable. Following his first brush with celebrity at an impressionable age, and spending his teens and twenties as, amongst other things, a journalist, publicist, club promoter, musician and DJ, Nick eventually banked in the shallows of party central. He spent 15 years as a social editor on London's celebrity canapé circuit, while co-founding the Entertainment News press agency. An enterprising period acting as a social PR to the super-rich led to him co-founding three London nightclubs in quick succession, including the much lauded Cuckoo Club. With the West End as his nocturnal playground, he then bid sleep a final fond farewell. Nick professes to

have attended well over 5,000 parties in his time, drunk enough champagne to test the Thames barrier and occasionally made it home in time for Countdown. 'I'm a night person,' he says. 'The trouble is I'm a morning and afternoon person as well.' This account is a surprisingly touching, light-hearted look at the daily mechanics of enjoying life to the max and then some. Small Groups John M. Levine 2008-02-19 Research on small groups is highly diverse because investigators who study such groups vary in their disciplinary identifications, theoretical interests, and methodological preferences. The goal of this volume is to capture that diversity, and thereby convey the breadth and excitement of small group research by acquainting students with work on five fundamental aspects of groups. The volume also includes an introductory chapter by the editors which provides an overview of the history of and current state-of-the-art in the field. Together with introductions to each section, discussion questions and suggestions for further reading, make the volume ideal reading for senior undergraduate and graduate students interested in group dynamics.

Life in La Liga Rab McWilliam 2019-10-10 In Life in La Liga, football writer Rab MacWilliam delves to the heart of one of Europe's most historically and politically complex nations to explore its rich football history, examining its deep-rooted rivalries and internecine vendettas, and the undoubtedly impressive standard of its football clubs. From the big five of Real Madrid, Barcelona, Athletic Bilbao, Atletico Madrid and Valencia, to the likes of Sevilla, Real Sociedad, Deportivo de La Coruna, Real Zaragoza, Celta de Vigo, Espanyol, Real Betis and Sporting Gijon, McWilliam laces an entertainingly informative narrative with short biographies of the Spanish game's main participants, players, and characters, as well as reflections on the humorous, tragic and pivotal events that have taken place since the Spanish league's origins in the late nineteenth century on its journey to becoming the dominant force in the global game that it is today.
